

Win a Schwinn!

– a 2008
Schwinn Motor Scooter!

Sponsored by Union Square Main Streets with Riverside Motorsports

In honor of Founding Board Member Joe Thompson

Proceeds support the programs of Union Square Main Streets, making this neighborhood an even better place to live, work and play.

Schwinn Motorscooters have zippy 4-stroke 50-cc engines which give them enough power to move you through fast paced city traffic and up Somerville's steepest hills. Yet they're small enough to not require a specialized driver's license or registration. With just your regular driver's license you can ride your new scooter home.

These scooters get incredible mileage and like a bicycle there's no struggling to find a parking space or feeding meters. They're easy to operate with a smooth ride and big enough to carry gear or an extra passenger.

Make your summer one of fun on the open road!

Tickets \$10
